Old Business:

The CW Board is proposing a single dues for CW of \$20 for 2023. Dues will be collectable starting in September for the remainder of 2022 and all of 2023. A single dues is to indicate the importance of ONE club. CW members will be able to attend any activity presented by either the PC platform group or MacsWest platform group.

President Kenevan presented the proposal in the form of a motion. A few questions were asked and answered. The motion was seconded by two or three members and carried unanimously by a show of hands by the CW members in attendance.

Linda Victor is having ads run on our local SCW radio station to encourage non members to check us out.
